

St. Louis Council 14730 Earns Distinguished Star Council Award

The Knights of Columbus Supreme Council sets standards for awards to be obtained by the local councils throughout the country. The three major awards are the following:

Father McGivney Award – this is obtained by meeting or exceeding the new membership goals set for the council by Supreme

The Founders Award – this is obtained by meeting or exceeding a 2.5% net increase in the councils insurance membership

The Columbian Award – this is obtained by earning a total of 16 program credits with activities in the councils programming and charitable outreach.

If a council earns all three of these 3 awards by meeting or exceeding their goals they earn The Star Council Award. The ST. Louis Council proudly earned this award by obtaining 140% of their goals for the year 2022 and 2023.

“It was a complete team effort”, Says Manny Padron, the Grand Knight in 2022/2023,” it is an example of the things that can be accomplished by working together with a common goal in mind.”
